DR. SAX is a Family Medicine physician, psychologist, and author of 4 best-selling books on education and parenting, including his most recent work, *The Collapse of Parenting* (2016). In this presentation, he describes and responds to some of the challenges that face today’s parents.

At what age is it OK for a child to have a cell phone?

How much should parents know about what kids are doing on social media such as Instagram and Snapchat?

What do parents need to know, and do, to boost the odds that their kids will be happy and fulfilled?

Dr. Sax has been a guest on the TODAY Show, Fox News, National Public Radio, PBS, and many other national and international media. His articles have been featured in **The Wall Street Journal**, **The Washington Post**, **Los Angeles Times**, and the web site of **The New York Times**, among many others.
