## Principal's Interpretation:

The purpose of this policy is to ensure that the Principal is committed to initiatives that will improve learning outcomes for all students. The Board intends the Principal to set the tone of the school's academic climate through an understanding that every child has unique and specific needs; to clearly communicate that helping students with special needs is a vital component in fulfilling the mission of the school; and to empower faculty and staff to act as leaders in the various day-to-day, interdisciplinary efforts to help all students thrive. The services provided are appropriate only to the degree in which the school can 1) identify who the struggling students are, 2) target what specific skills they struggle with, 3) create effective educational plans, and 4) ensure implementation of supports and data-driven progress monitoring with fidelity. To accomplish these goals, the Board intends the Principal to provide executive-level vision, strategy, and backing to improve the school's efficacy in supporting students with learning challenges or special needs. For this reason, the Principal works closely with the Dean of Students and all three branches within the Student Services team: Special Education, ESOL, and Response to Intervention/Student Support Team (RTI/SST).

## Report:

A variety of decisions and ongoing efforts are increasing the school's efficacy in reaching all students.

## Professional Development

During the 2017 Student Services Summer Training, the Principal emphasized the importance of identifying and meeting the needs of all students. This was made evident when the Principal addressed faculty and staff, directly tying the growth of special needs students with the mission of the school. Faculty and staff engaged in a full day of intensive professional development centered on the theme of "helping all students thrive." Several topics of training included: special education-overview of disabilities and legality; in-depth nuts and bolts of the RTI/SST process with case studies; best practices with parent communication; and data collection and progress monitoring. This was a targeted effort to ensure that the entire faculty and staff is aware of the purpose of Student Services; to foster collaboration; and to clarify teachers' roles in providing appropriate services for students with differing needs.

## Screening and Evaluations

## STAR 360

The school purchased and implemented the STAR 360 screener assessment during the Summer/Fall of 2017. By providing students' baseline reading and math abilities, the STAR 360 assessment identifies students who are performing below reading and math benchmarks. The data from this screener has been used by teachers, Student Services, and the administration to identify who needs additional support and what specific skills must be targeted. The school has also used STAR reports to glean valuable baseline data for all new incoming students. Furthermore, teachers are analyzing their student data at faculty chair meetings to develop informed, targeted educational/intervention plans. ACA administers the STAR 360 tests in the Fall, Winter, and Spring each school year, in order for instructional teams to assess student growth and progress.

## Iowa Test of Basic Skills (ITBS)

While the school has implemented the lowa Test of Basic Skills since the school's inception, the school made targeted efforts in the Summer/Fall of 2017 to take full advantage of the invaluable data that this test offers. Student Services and teachers pulled various Longitudinal and Domain Skill Analysis reports to gain deeper insights of students' areas of strengths and weaknesses, draw inferences on school-wide patterns and areas needing improvement, and ultimately help guide discussions on how to improve the effectiveness of instruction and support. The school's use of ITBS scores in the past year is an example of how the school is shaping a culture of data-driven decision making and planning.

## Related Services \& Evaluations

The Principal supports Student Services personnel in coordinating with the school district to provide "Related Services" to Atlanta Classical Academy students. These include, but are not limited to, Physical Therapy, Occupational Therapy, Speech/Language Therapy, and Psychological services. Psychological evaluations are of especial importance in both the RTI/SST process and also for Special Education, as they provide information required to consider students for eligibility in these Student Services programs.

## Organizational Structure, Leadership, and Personnel

The school underwent a change in its organizational structure with the addition of the Dean of Students and Faculty Chairs - a strategic decision to grow leaders within the school and to increase both horizontal and vertical collaboration. Faculty chairs currently lead bi-weekly meetings that are centered on two main topics: 1) helping all students thrive, and 2) streamlining the curriculum.

The school has reaped many benefits from these organizational changes. For example, due to the implementation of faculty chairs, teachers have devoted more consistent, concentrated time reviewing and discussing student growth and achievement data together. Teachers reviewed their incoming rosters' ITBS data from the previous school year and identified students who were below the 50 $0^{\text {th }}$ national percentile rank and who did not make a full year's worth of progress. Consequently, teachers entered the new school year with a foundational understanding and mindfulness of their students' abilities.

The school leadership team also acknowledges that academic proficiency is not the only area of need among our students. Students' social and emotional development tie directly to the school's mission. Therefore, in the Fall of 2017, a part-time counselor was added to the ACA team.

## Implementation with Fidelity

The administration's close collaboration with Student Services leaders has improved the school's compliance with district, state, and federal regulations. Due to the administration's leadership, faculty and staff are reminded of the utmost importance in delivering all accommodations outlined in students' 504s and IEPs with fidelity. Implementation of the RTI process is also critical, because it is the process through which teachers identify and appropriately refer students for Special Education. The Principal has organized monthly meetings with Student Services and the Dean of Students in order to assess the school's success and follow up on initiatives to help all students thrive.

## Evidence:

The following table provides a snapshot of the current number of students receiving different levels of support across each grade; this is the caseload of student plans that will carry over into the 2018-19 school year. The values in this table are subject to change, as the SST/RTI chairs meet with grade-level teachers throughout the school year to close out and/or establish new intervention plans contingent on students' progress.

The following table provides metrics on the number of different educational plans that were closed out including: Tier 2 and Tier 3 intervention plans, IEP's, 504's, and TPC's that were closed out in 2017-18. Tier 2 and 3 intervention plans could have been closed out for various reasons including: 1) student made sufficient progress, 2) the intervention plan was changed (increased/decreased frequency and intensity of supports), or 3) student was found eligible for special education services. The number of Tier 4 plans that were closed out reflect students who were exited from special education. Furthermore, the
chart lists the number of 504 plans and TPC's (ESOL) that were closed out due to students' adequate academic functioning.

*Updated on 6/6/18. Note: for Tier 2 and Tier 3 columns, the values reflect the number of intervention plans, not students. It was often the case that one student had more than one interventions plan to target various academic skills.

The SST/RTI/504 Management Log is a district report that outlines the number of students in each grade who have active 504 plans and who receive tiered intervention support. The spreadsheet details students' specific areas of concern and tracks every RTI/ SST meeting the team holds. This report contains information governed by FERPA regulations and is available upon request.

The Department of Special Education Timeline is a district report that outlines the number of students at Atlanta Classical Academy who are currently receiving special education services and are due for a psychological evaluation; as well as the number of students in a given school year who have been referred for a psychological evaluation for the first time and may become eligible for special education services. The spreadsheet tracks compliance with federal deadlines to complete these evaluations, and it is updated on a weekly basis to show where each student is in the evaluation process. This report contains information governed by FERPA regulations and is available upon request.

The Master Data Spreadsheet (MDS) is an internal data-management tool providing teachers and administration a snapshot of interdisciplinary information on every student. This spreadsheet captures every student's academics, attendance and discipline record, standardized testing scores (STAR 360, ITBS, Georgia Milestones, PSAT), and Interdisciplinary letters / parent communication. Specific school administration and staff serve as task leads and update the spreadsheet weekly. This tool contains information governed by FERPA regulations and is available upon request.

The Early Intervention Tool (EIT) was designed to:

1. outline a detailed timeline and periodic check-points throughout the year to ensure the school is proactive in identifying and intervening for struggling students;
2. ensure the school's compliance with local, state, and federal promotion, placement, and retention policies;
3. provide the administration and other school leaders with a concrete tool to gauge whether the school is on track to have placement discussions in the Spring semester.

Access is available upon request.

A critical component covered in the EIT is proactive and effective communication with parents. School leadership understands the importance of school and home connection since parents play a critical role in their child's growth. In efforts to increase parent engagement and accountability, the Principal implemented quarterly rounds of Interdisciplinary Letters. These letters aim to inform parents of their child's current academic performance, attendance, and discipline record. Templates of Q1 and Q2 Interdisciplinary letters are available upon request.

Highlights from the 2017 Student Services Summer Training are available upon request.

## Principal's Interpretation:

The school's Charter School Fund is funded by public revenue in accordance with the Charter Agreement and Georgia Charter School Law. This per pupil public funding is based as the name states on the number of students enrolled. Therefore, detailed grade-by-grade enrollment, changes to enrollment, and waitlist information, has significant implications to the school's revenue and financial health; these are an indicator of the overall satisfaction of existing students and their parents and of the perception of the general public; they influence our relationship with authorizers; and they signal our ability to replace students who leave the school. The philanthropic community uses these figures to gauge overall demand for the school, the quality of the leadership, and financial stability. This information is best considered by analyzing short- and long-term trends. The Board asks for reasons for withdrawal, because it intends to understand the causes of attrition. It wishes to see to it that the Principal knows the causes of attrition so that the team is able in the spirit of constant improvement to adjust if appropriate. To the extent that negative trends are emerging, the Board wants to have the ability to spot them early. The Board does not intend for the staff to invest an unreasonable amount of time or effort to learn the causes, and it does not intend for the Principal or staff to take action that would compromise personal information about a student or family.

The Principal includes this information on the monthly dashboard.

## Principal's Monitoring Report

Date: June 2018

Revenue and expense statement with comparison to budget and prior year <br> b. Balance sheet <br> C. Aged accounts payable summary <br> d. Statement of cash flow <br> e. System generated cash reconciliation report that ties to redacted bank statements <br> f. Redacted credit card statements | 12/15/16 |

## Principals Interpretation:

In support of its fiduciary duty to the Owners of the school (the citizens of Georgia), the Board wishes to monitor on a monthly basis the actual financial condition and performance of the school and to ensure that spending aligns with the mission, the annual budget, and the enumerated policies of the Board. On a monthly basis, the Board expects the Principal's internally generated financial reports and third-party documentation adequate for confirming the revenue, expenses, capital expenditures, financing decisions, and cash balances. It wants to review credit card statements to see to it that expenses support only the missions and operations of the school. The applicable standard of accounting is modified accrual as defined by the Governmental Accounting Standards Board (GASB). On internally generated reports, the Principal makes certain assumptions with regard to the level of detail board members wish to evaluate. Complete details will be made available, as required. With regard to the treatment and presentation of depreciation and non-cash charges, our auditor has endorsed the practice of making year-end adjustments to financial statement to reflect these charges. Depreciation relates almost exclusively to capital assets (buildings and equipment), and therefore depreciation should be considered as part of annual and long-range development efforts.

Report:
The Principal's monthly report includes the required information. More detailed reports are available upon request.

## YOUR LNE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLNED BELOW．

This is a summary of your rights；a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice．The following information applies only to loans made to you under your Loan Account line of credit．
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong，or if you need more information about a transaction on your bill，write us on a separate sheet at the address located on the front of this bill as soon as possible．We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared．You can
telephone us，but doing so will not preserve your rights．In your letter，give us the following information：

1．Your name and account number．
2．The dollar amount of the suspected error．
3．Describe the error and explain，if you can，why you believe there is an error．If you need more information，describe the item you are unsure about．
You do not have to pay any money in question while we are investigating， but you are still obligated to pay the parts of your bill that are not in question． While we investigate your question，we cannot report you as delinquent or take any action to collect the amount you question．
We figure a portion of the Finance Charge on your account by applying the appropriate＂Daily Periodic rate＂to the appropriate portions of the＂Principal＂ balances．We take the beginning＂Principal＂balance of your account each day，add any new（purchases，advances，loans）and subtract the＂principal＂ portion of the payments or credits．This gives us the new＂principal＂．We then apply the applicable daily periodic rate to the＂principal＂times the number of ＂days＂at the new＂Principal＂．This gives us the＂Accrued Finance Charge＂for each period of days in the billing cycle．To arrive at the＂Finance Charge＂for the billing cycle，we add all of the＂Accrued Finance Charge＂（s）together for the billing cycle
The minimum periodic payment required is shown on the front of this bill．You may pay off your Credit Line Account loan balance at any time，or make voluntary additional payments．Payments shall be applied，first to any unpaid FINANCE CHARGES，and second the principal loan balance outstanding in your Credit Line Account．Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions．
Send payments and inquiries to address shown on front of bill．
NOTE：Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account．

## Check 21 Notification

If you request the return of your original checks you may receive a＂Substitute Check＂in response．The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe，in good faith，that a Substitute Check was not properly charged to your account．Contact your branch or call the number on the front of this statement to request a Check 21 disclosure．

Please examine immediately and report if incorrect. If no reply is received within 60 days the account will be considered correct.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

In case of errors or questions about your electronic transfers telephone us at the phone number listed on the front, or write us at the address listed on the front as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.
We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

## YOUR LNE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLNED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice. The following information applies only to loans made to you under your Loan Account line of credit.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can
telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle,
The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions.
Send payments and inquiries to address shown on front of bill.
NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

## Check 21 Notification

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

Please examine immediately and report if incorrect. If no reply is received within 60 days the account will be considered correct.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

In case of errors or questions about your electronic transfers telephone us at the phone number listed on the front, or write us at the address listed on the front as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.
We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

## YOUR LNE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLNED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice. The following information applies only to loans made to you under your Loan Account line of credit.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can
telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
You do not have to pay any money in question while we are investigating but you are still obligated to pay the parts of your bill that are not in question While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle,
The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions
Send payments and inquiries to address shown on front of bill.
NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

## Check 21 Notification

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

In case of errors or questions about your electronic transfers telephone us at the phone number listed on the front, or write us at the address listed on the front as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.
We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

## YOUR LNE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLNED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice. The following information applies only to loans made to you under your Loan Account line of credit.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can
telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
You do not have to pay any money in question while we are investigating but you are still obligated to pay the parts of your bill that are not in question While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle,
The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions.
Send payments and inquiries to address shown on front of bill.
NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

## Check 21 Notification

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

What To Do If You Think You Find A Mistake On Your Statement
If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335.
In your letter or call, give us the following information:
Account information: Your name and account number.
Dollar amount: The dollar amount of the suspected error.
Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:
We cannot try to collect the amount in question, or report you as delinquent on that amount.
The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit limit.
Your Rights If You Are Dissatisfied With Your Credit Card Purchases
If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.
To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $\$ 50$. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent. Important Information Regarding Your Account

1. INTEREST CHARGE: Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the INTEREST CHARGE by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the ADB separately for the Purchases, Advances and Balance Transfer categories. To get the ADB in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the ADB of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the ADB calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the ADB calculation.
2. Payment Information: You must pay us in U.S. Dollars with checks or similar payment instruments drawn on a financial institution located in the United States. We will also accept payment in U.S. Dollars via the Internet or phone or previously established automatic payment transaction. We may, at our option, choose to accept a payment drawn on a foreign financial institution. However, you will be charged and agree to pay any collection fees required in connection with such a transaction. The date you mail a payment is different than the date we receive that payment. The payment date is the day we receive your check or money order at Cardmember Service, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your electronic or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Mailed payments that do not include the payment coupon and/or are mailed to a different address will be processed within 5 banking days of receipt and credited to your Account on the day of receipt. In addition, if you mail your payment without a payment coupon or to an incorrect address, it may result in a delayed credit to your Account, additional INTEREST CHARGES, fees, and possible suspension of your Account. Internet and telephone payment options are available, and crediting times vary (but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made). If you are making an internet or telephone payment, please contact Cardmember Service for times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.
3. Credit Reporting: We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

## Important Messages

Paying Interest: You have a 24 to 30 day interest-free period for Purchases provided you have paid your previous balance in full by the Payment Due Date shown on your monthly Account statement. In order to avoid additional INTEREST CHARGES on Purchases, you must pay your new balance in full by the Payment Due Date shown on the front of your monthly Account statement.

There is no interest-free period for transactions that post to the Account as Advances or Balance Transfers except as provided in any Offer Materials. Those transactions are subject to interest from the date they post to the Account until the date they are paid in full.

IMPORTANT NOTICE. We want to inform you of an upcoming change regarding reward redemption rates. For airline tickets and hotels booked beginning 08/12/2018, 11:01 CT, the value of those points will be at a rate of 1 cent per point. All other reward redemption rates remain the same. If you have any questions regarding the value of points redeemed for airfare and ho- tels, please call Cardmember Service at the number on the back of your card

## Assumptions:

All capital funds will be received before the capital project commences.

Notes:
(1) HVAC renovation cost per Honeywell's performance contracting proposal dated March 15, 2017.
(2) Principal payment of $\$ 6,655,000$ due March 1,2021 on the primary loan. Refinance cost assumed to be $1 \%$ of loan balance.
(3) The modular loan will fully repaid in June 2021. Monthly principal payments on the modular loan are made from the charter school fund.
(4) Phase III construction quote from Parrish Construction Group. Amount is for construction only; furniture, fixtures, and equipment are not included.

[^0]:    Explanation of Funds:

    The Charter School Fund captures the public revenue from APS and the expenses of running the school. Long-term debt is serviced from this fund.

    The General Fund is a catch-all fund that receives transactions that are not captured in another fund. This includes extracurricular activities such as clubs, field trips, fine arts program, summer camps and the annual fund. The $\$ 750,000$ reserve required by the loan covenant is in the General Fund.

    The Capital Fund is for long-term capital projects.
