## NOTE

The Annual Fund was budgeted to raise $\$ 18,791.67$ for the month of March, but only raised $\$ 6,233.13$
APS revenue was budgeted for $\$ 735,602$, but ACA received $\$ 762,660$ from APS. This is due to a recalculation that has increased APS revenue since December 2018
The FY19 amended budget will include the updated APS revenue
While General Fund activity is listed on the Statement of Activity, the individual line items for the General Fund were not included in the itemized budget for FY 19
There were no budgets created for lost textbook revenue or interest income for FY19
Nothing was spent specifically for Educational Media Services
Food Service Contract is over budget because proper budget planning was not done for this line item for FY19
Spending for instructional books and materials is under budget by $\$ 4,675$ because there were no classroom computers purchased and books came in under budge
Professional Development is under budget for the month of March and for the fiscal year to date. This is largely due to the lack of communication to staff and faculty around the availability of funds for Professional Developmen
The Principal is in the process of creating a Professional Development plan to benefit ACA and its employees
Athletics is over budget by almost $\$ 13,000$; This is due to lack of budgeting for athletic coach stipends as well as the addition of a new sport (Track)
The Pupil Services Other category is under budget by $\$ 20,000$ due to a lack of spending on books for SPED and ESOL
IT spending is under budget by $\$ 6,387$ due to the timing of some of the invoices associated with IT
It is recommended that we re-examine the IT budget to see whether the FY19 budget for IT accurately reflects actual IT spending for FY19
School Admin Salaries are over budget due to the addition of 1099s contractors that were not budgeted for; there is also one 1099 contractor who was moved to full-time, W-2 status (unbudgeted)
Instructional Salaries are slighly over budget due to unbudgeted stipends for necessary teacher curriculum planning and Special Education contractors
School Admin Other is under budget by $\$ 3,899$ due to the Princiipal's prudence with use of Principal's discretionary funds
Transportation Services are over budget by $\$ 6,588$ due to improper budgeting for this category for FY 19 ; it is recommended that this be adjusted in the FY 19 amended budget
Legal fees are shown as being under budget because of the timing of billing and the monthly allocation of budgeted legal fee funding
Transaction fees are shown as over budget because they were not included in the FY19 budget
Though there are funds budgeted for capital outlays for the month of March there were no capital projects scheduled for the month of March

In case of errors or questions about your electronic transfers telephone us at the phone number listed on the front, or write us at the address listed on the front as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared

## YOUR LNE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice. The following information applies only to loans made to you under your Loan Account line of credit.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can
telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle
The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions.
Send payments and inquiries to address shown on front of bill.
NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

## Check 21 Notification

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

## YOUR LNE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice. The following information applies only to loans made to you under your Loan Account line of credit.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can
telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle
The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions.
Send payments and inquiries to address shown on front of bill.
NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

## Check 21 Notification

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

## YOUR LNE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice. The following information applies only to loans made to you under your Loan Account line of credit.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can
telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle
The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions.
Send payments and inquiries to address shown on front of bill.
NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

## Check 21 Notification

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

For errors involving new accounts, point-of-sale, or foreign initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

## YOUR LINE OF CREDIT ACCOUNTS SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice. The following information applies only to loans made to you under your Loan Account line of credit.
IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can
telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.
We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "principal" portion of the payments or credits. This gives us the new "principal". We then apply the applicable daily periodic rate to the "principal" times the number of "days" at the new "Principal". This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge"(s) together for the billing cycle
The minimum periodic payment required is shown on the front of this bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of each billing cycle showing your Credit Line Account loan transactions.
Send payments and inquiries to address shown on front of bill.
NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

## Check 21 Notification

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

What To Do If You Think You Find A Mistake On Your Statement
If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335.
In your letter or call, give us the following information:

- Account information: Your name and account number.

Dollar amount: The dollar amount of the suspected error.
Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit limit.
Your Rights If You Are Dissatisfied With Your Credit Card Purchases
If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.
To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $\$ 50$. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

## Important Information Regarding Your Account

1. INTEREST CHARGE: Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the INTEREST CHARGE by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the ADB separately for the Purchases, Advances and Balance Transfer categories. To get the ADB in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the ADB of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the ADB calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the ADB calculation.
2. Payment Information: You must pay us in U.S. Dollars with checks or similar payment instruments drawn on a financial institution located in the United States. We will also accept payment in U.S. Dollars via the Internet or phone or previously established automatic payment transaction. We may, at our option, choose to accept a payment drawn on a foreign financial institution. However, you will be charged and agree to pay any collection fees required in connection with such a transaction. The date you mail a payment is different than the date we receive that payment. The payment date is the day we receive your check or money order at Cardmember Service, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your electronic or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Mailed payments that do not include the payment coupon and/or are mailed to a different address will be processed within 5 banking days of receipt and credited to your Account on the day of receipt. In addition, if you mail your payment without a payment coupon or to an incorrect address, it may result in a delayed credit to your Account, additional INTEREST CHARGES, fees, and possible suspension of your Account. Internet and telephone payment options are available, and crediting times vary (but generally must be made before $5: 00$ p.m. CT to 8 p.m. CT depending on what day and how the payment is made). If you are making an internet or telephone payment, please contact Cardmember Service for times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.
3. Credit Reporting: We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.
