**REQUEST FOR PROPOSAL
FOR
FIRE ALARM WITH EVAC COMMUNICATIONS SYSTEM**

**ATLANTA CLASSICAL ACADEMY
FULTON COUNTY, GEORGIA**

Atlanta Classical Academy (ACA), an Atlanta, GA, public school located at 3260 Northside Dr. NW, Atlanta, GA 30305, is soliciting proposals from interested firms to provide and install a FIRE ALARM WITH EVAC COMMUNICATIONS SYSTEM. For further details, please visit atlantaclassical.org/about/rfp

Project Description

New, complete EVAC Fire system to be installed in campus North and South buildings. Existing antiquated systems in these buildings to be decommissioned and removed after new system operational.

High School modular buildings have an existing modern system that would be upgraded to include EVAC capabilities.

Contractor will provide drawings and manage permitting process.

Quick timeline to completion is preferred. Any work disruptive to the learning environment (e.g., noisy or unsafe for student presence) must be conducted outside of normal school hours (7:15 AM – 3:30 PM).

For a site tour, or site map, contact Mr. Mike Neitzel, mneitzel@atlantaclassical.org, (404) 369-3500

Award of Contract

Any contracts awarded pursuant to the RFP will be awarded based on the bids or offers which are responsive to the RFP and are most advantageous to ACA with respect to price, quality, project timeline, and other factors that ACA may consider.

ACA reserves the right to reject any and all proposals received as a result of this RFP.

Submissions should be directed to Mr. Kevin Richter, krichter@atlantaclassical.org (404) 369-3500, no later than **September 3, 2019 5:00 PM**.
